

Access Control Bids

February 13, 2023

Dr. Larry Webb-Chief of Auxiliary Services

Safety Equipment Grant and Request for Proposals

Franklin County Schools received a NCDPI Safety grant for \$342,626 to add access control system to FES, LMHS and BES.

FCS issued a Request for Proposal (RFP) during the first week of January 2023.

We had three submissions:

- Brooks Network Services LLC
- Integrated Information Systems
- Siemens Industry

A decorative graphic consisting of three overlapping horizontal bars in dark blue, grey, and dark blue, pointing to the right.

Vendors were evaluated on the following criteria:

- Hardware Costs
- Professional Service/Installation
- Recurring Expenses
- Quality of previous vendor experience
- Complete bid submission
- Reference
- NC references

RFP Results

24

RFP Submission	IIS	Siemens	Brooks					
Total points awarded from rubric	82.00%	60.00%	75.00%					
Bid	\$335,914.00	\$233,752.00*	\$584,968.88*	*Did not bid on the correct number of doors				
We recommend IIS. They had the highest score and they followed the RFP criteria with correct number of doors.								

Motion Requested

Seeking a motion to retain IIS of Franklinton, NC to provide our Door Access Key System for Louisburg Magnet High School, Franklinton Elementary School, and Bunn Elementary School.
