

On March 20, 2025, Mike Zalewski, Assistant Superintendent of Operations, sent an email to the Board of Education with previously discussed details and attachments regarding the needed chiller replacement at TLMS. Given the urgency of ensuring air conditioning availability at TLMS, he requested board approval to proceed with a contract with Ranex HVAC for the chiller replacement. In consultation with Boyd Sturges, the Board of Education attorney, it was advised that an email vote be conducted due to the emergency nature of the situation and the critical timeline.

Mr. Thomas Harris made a motion to approve the award of the HVAC chiller replacement contract to Ranex HVAC. Mrs. Paige Sayles seconded the motion, and it was unanimously approved.
