

On April 23, 2025, Mike Zalewski, Assistant Superintendent of Operations, emailed the Board of Education with previously discussed details and attachments regarding the Bid Summary for the LMHS HVAC project. Kilian Engineering, serving as the project consultant, reviewed the submitted bids and recommended awarding the contract to Alford Mechanical.

To maintain the project schedule and initiate material procurement, an expedited vote by email was requested to approve the award of the LMHS HVAC project contract to Alford Mechanical.

Mr. Thomas Harris made a motion to approve the recommendation, which was seconded by Mr. Chris Perry and unanimously carried.
