

# Infinite Campus Implementation Status

Chuck Elliott  
June 9th, 2025

# Background Information

- The NC State BOE awarded the contract to Infinite Campus to become the state's Student Information System.
- There are two Phases
  - Phase I: Public School Units (PSUs), approximately 120, implemented Infinite Campus for the 24-25 School Year
  - Phase II: Public School Units will implement Infinite Campus for the 25-26 School Year
    - FCS is in this group
  - The State transition for all PSUs will take place July 1st - July 7th

# Included Infinite Campus Modules

- |                                     |   |
|-------------------------------------|---|
| * <u>Infinite Campus SIS</u>        | Main Student Information System   |
| Campus Online Payments              | Reliable and secure payment processing for fees, activities, school store, and more   |
| * <u>Campus Online Registration</u> | Eliminate paper packets and bring your new and existing student registration online   |
| Campus Messenger with Voice         | Simplify communication to staff, students and parents via call, text or email   |
| * <u>Campus Workflow Suite</u>      | Tool improves attendance accuracy and efficiency by letting school staff know when and where students are in the building   |
| * <u>Campus Analytics Suite</u>     | Identify students at risk of not persisting to graduation. Includes surveys with translation support and embedded reporting |

# Included Infinite Campus Modules

- \* Campus Data Suite Validate data integrity, navigate ever-changing FERPA regulations, and audit data changes and data access to protect student information
  - \* Campus Report Translation Module Support multiple languages when building report cards around grading tasks, standards, and courses
  - \* Campus Passport Training subscription that features role-specific, on-demand learning
  - \* Yearly Event Series (YES) Numerous specifically timed and function-focused training events throughout the year for PSU staff
- Campus Learning Suite LMS that connects teachers to new, powerful tools for digital learning

# Infinite Campus will replace PowerSchool for:

Gradebook

Student/Parent  
Portal

Household  
Information

Attendance

Rosters

Reporting (State  
& Federal)

Enrollment

Scheduling

# Current Resources that will remain:

## Canvas

FCS Learning  
Management  
System (LMS)

## Educator's Handbook

Used to  
Record  
Behavior

## FinalSite

FCS  
Communication  
Platform

# Project Updates

## COMPLETED

- PowerSchool Data Cleanup
- Schedules for 25-26
- Production and Sandbox Sites

# Project Updates

## ONGOING

- NCDPI Support Sessions
- Virtual Training Options
- District Training
- End of Year (EOY)  
Processes in PowerSchool

# Project Updates

## FCS Training Plan
