**Dr. Larry Webb,
Chief of Auxiliary Services**

Board of Commissioners Update

- On Monday, February 7, 2022, Dr. Schuhler presented information about the NBPSCF grant to Commissioners.
- The Commissioners had several questions and several very positive comments about our intent to apply for the grant.
- The Commissioners were very excited about the possibilities and voted unanimously to commit to the required 5% match of up to \$1,500,000.00.

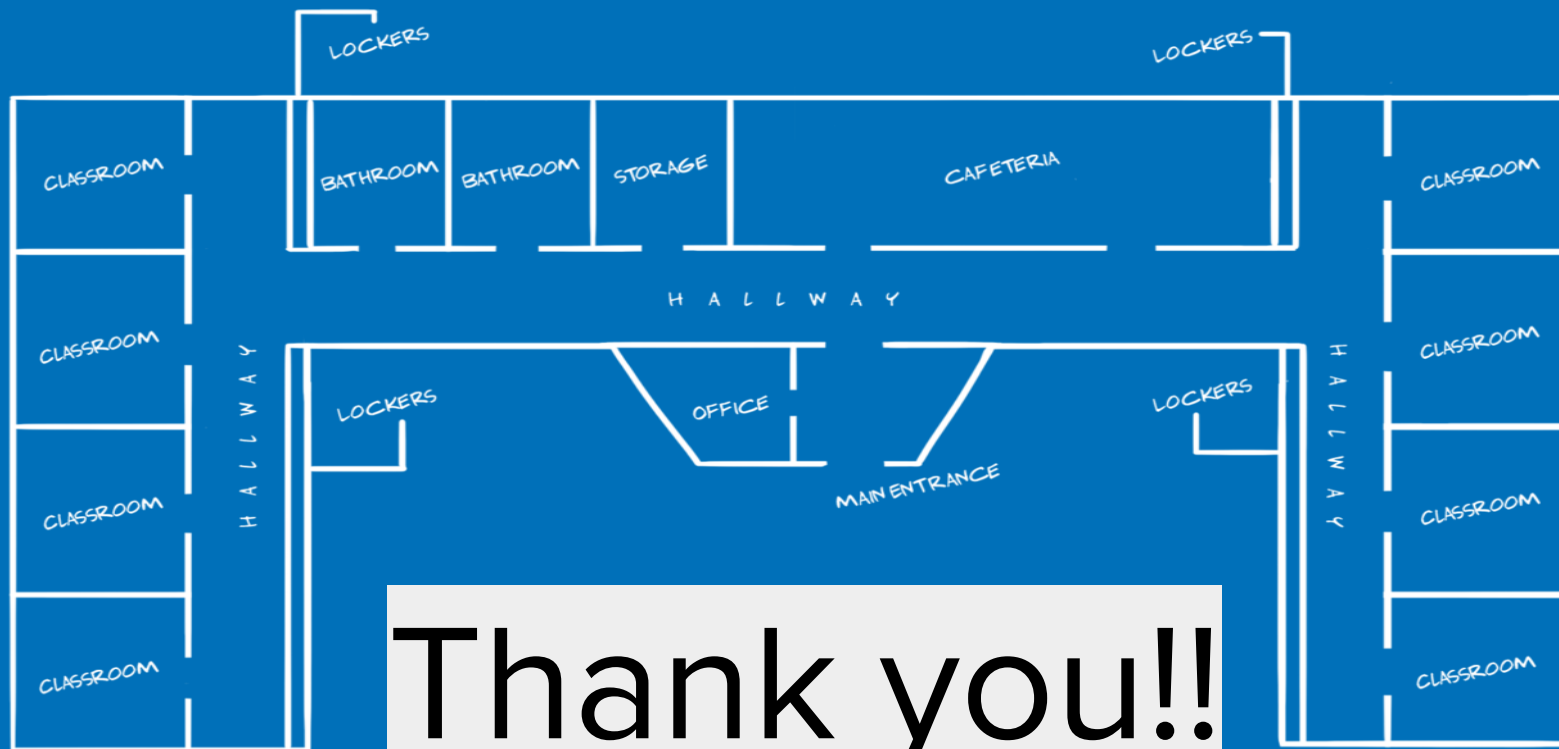

Grant Progress

- We have received requested information from Franklin County Finance Officials.
- Davis Kane is at work on the required Architectural and Engineering parts, a budget schedule, a construction calendar and other required information.
- Dr. Webb is at work on the informational parts of the application.
- We have attended two NCDPI webinars for the completion and submission of the grant.
- We are on schedule for a March 15, 2022 submittal.
