hereby agree as follows:

1. The Auditor shall audit all statements and disclosures required by U.S. generally accepted auditing standards (GAAS) and additional required legal statements and disclosures of all funds and/or divisions of the Governmental Unit(s). The non-major combining, and individual fund statements and schedules shall be subjected to the auditing procedures applied in the audit of the basic financial statements and an opinion shall be rendered in relation to (as applicable) the governmental activities, the business-type activities, the aggregate DPCUs, each major governmental and enterprise fund, and the aggregate remaining fund information (non-major government and enterprise funds, the internal service fund type, and the fiduciary fund types). The basic financial statements shall include budgetary comparison information in a budgetary comparison statement, rather than as RSI, for the General Fund and any annually budgeted Special Revenue funds.

2. At a minimum, the Auditor shall conduct the audit and render the report in accordance with GAAS. If the Governmental Unit expended \$100,000 or more in combined Federal and State financial assistance during the reporting period, the Auditor shall perform the audit in accordance with *Government Auditing Standards* (GAGAS). The Governmental Unit is subject to federal single audit requirements in accordance with Title 2 US Code of Federal Regulations Part 200 *Uniform Administration Requirements, Cost Principles, and Audit Requirements for Federal Awards*, Subpart F (*Uniform Guidance*) and the State Single Audit Implementation Act. Currently the threshold is \$750,000 for a federal single audit and \$500,000 for a State Single Audit. This audit and all associated audit documentation may be subject to review by Federal and State agencies in accordance with Federal and State laws, including the staffs of the Office of State Auditor (OSA) and the Local Government Commission (LGC). If the audit requires a federal single audit in accordance with the Uniform Guidance (§200.501) the Auditor and Governmental Unit(s) should discuss, in advance of the execution of this contract, the responsibility for submission of the audit and the accompanying data collection form to the Federal Audit Clearinghouse as required under the Uniform Guidance (§200.512) to ensure proper submission.

Effective for audits of fiscal years beginning on or after June 30, 2023, the LGC will allow auditors to consider whether a unit qualifies as a State low-risk auditee. Please refer to "Discussion of Single Audits in North Carolina" on the LGC's website for more information.

If the audit and Auditor communication are found in this review to be substandard, the results of the review may be forwarded to the North Carolina State Board of CPA Examiners (NC State Board).

3. If an entity is determined to be a component of another government as defined by the group audit standards, the entity's auditor shall make a good faith effort to comply in a timely manner with the requests of the group auditor in accordance with AU-6 §600.41 - §600.42.

4. This contract contemplates an unmodified opinion being rendered. If during the process of conducting the audit, the Auditor determines that it will not be possible to render an unmodified opinion on the financial statements of the unit, the Auditor shall contact the LGC Staff to discuss the circumstances leading to that conclusion as soon as is practical and before the final report is issued. The audit shall include such tests of the accounting records and such other auditing procedures as are considered by the Auditor to be necessary in the circumstances. Any limitations or restrictions in scope which would lead to a qualification should be fully explained in an attachment to this contract.

5. If this audit engagement is subject to the standards for audit as defined in *Government Auditing Standards*, 2018 revision, issued by the Comptroller General of the United States, then by accepting this engagement, the Auditor warrants that he/she has met the requirements for a peer review and continuing education as specified in *Government Auditing Standards*. The Auditor agrees to provide a copy of the most recent peer review report to the Governmental Unit(s) and the Secretary of the LGC prior to the execution of an audit contract. Subsequent submissions of the report are required only upon report expiration or upon auditor's receipt of an updated peer review report. If the audit firm received a peer review rating other than pass, the Auditor shall not contract with the Governmental Unit(s) without first contacting the Secretary of the LGC for a peer review analysis that may result in additional contractual requirements.

If the audit engagement is not subject to *Government Auditing Standards* or if financial statements are not prepared in accordance with U.S. generally accepted accounting principles (GAAP) and fail to include all disclosures required by GAAP, the Auditor shall provide an explanation as to why in an attachment to this contract or in an amendment.

6. It is agreed that time is of the essence in this contract. All audits are to be performed and the report of audit submitted to LGC Staff within six months of fiscal year end. If it becomes necessary to amend the audit fee or the date that the audit report will be submitted to the LGC, an amended contract along with a written explanation of the change shall be submitted to the Secretary of the LGC for approval.

7. It is agreed that GAAS include a review of the Governmental Unit's (Units') systems of internal control and accounting as same relate to accountability of funds and adherence to budget and law requirements applicable thereto; that the Auditor shall make a written report, which may or may not be a part of the written report of audit, to the Governing Board setting forth his/her findings, together with his recommendations for improvement. That written report shall include all matters defined as "significant deficiencies and material weaknesses" in AU-C 265 of the *AICPA Professional Standards (Clarified)*. The Auditor shall file a copy of that report with the Secretary of the LGC.

For GAAS or *Government Auditing Standards* audits, if an auditor issues an AU-C §260 report, commonly referred to as "Governance Letter," LGC staff does not require the report to be submitted unless the auditor cites significant findings or issues from the audit, as defined in AU-C §260.12 - .14. This would include issues such as difficulties encountered during the audit, significant or unusual transactions, uncorrected misstatements, matters that are difficult or contentious reviewed with those charged with governance, and other significant matters. If matters identified during the audit were required to be reported as described in AU-C §260.12-.14 and were communicated in a method other than an AU-C §260 letter, the written documentation must be submitted.

8. All local government and public authority contracts for audit or audit-related work require the approval of the Secretary of the LGC. This includes annual or special audits, agreed upon procedures related to internal controls, bookkeeping or other assistance necessary to prepare the Governmental Unit's records for audit, financial statement preparation, any finance-related investigations, or any other audit-related work in the State of North Carolina. Approval is also required for the Alternative Compliance Examination Engagement for auditing the Coronavirus State and Local Fiscal Recovery Funds expenditures as allowed by US Treasury. Approval is not required on audit contracts and invoices for system improvements and similar services of a non-auditing nature.
9. Invoices for services rendered under these contracts shall not be paid by the Governmental Unit(s) until the invoice has been approved by the Secretary of the LGC. This also includes any progress billings [G.S. 159-34 and 115C-447]. All invoices for audit work shall be submitted in PDF format to the Secretary of the LGC for approval. The invoice marked 'approved' with approval date shall be returned to the Auditor to present to the Governmental Unit(s) for payment. This paragraph is not applicable to contracts for audits of hospitals.
10. In consideration of the satisfactory performance of the provisions of this contract, the Governmental Unit(s) shall pay to the Auditor, upon approval by the Secretary of the LGC if required, the fee, which includes any costs the Auditor may incur from work paper or peer reviews or any other quality assurance program required by third parties (federal and state grantor and oversight agencies or other organizations) as required under the Federal and State Single Audit Acts. This does not include fees for any pre-issuance reviews that may be required by the NC Association of CPAs (NCACPA) Peer Review Committee or NC State Board of CPA Examiners (see Item 13).
11. If the Governmental Unit(s) has/have outstanding revenue bonds, the Auditor shall submit to LGC Staff, either in the notes to the audited financial statements or as a separate report, a calculation demonstrating compliance with the revenue bond rate covenant. Additionally, the Auditor shall submit to LGC Staff simultaneously with the Governmental Unit's (Units') audited financial statements any other bond compliance statements or additional reports required by the authorizing bond documents, unless otherwise specified in the bond documents.
12. After completing the audit, the Auditor shall submit to the Governing Board a written report of audit. This report shall include, but not be limited to, the following information: (a) Management's Discussion and Analysis, (b) the financial statements and notes of the Governmental Unit(s) and all of its component units prepared in accordance with GAAP, (c) supplementary information requested by the Governmental Unit(s) or required for full disclosure under the law, and (d) the Auditor's opinion on the material presented. The Auditor shall furnish the required number of copies of the report of audit to the Governing Board upon completion.
13. If the audit firm is required by the NC State Board, the NCACPA Peer Review Committee, or the Secretary of the LGC to have a pre-issuance review of its audit work, there shall be a statement in the engagement letter indicating the pre-issuance review requirement. There also shall be a statement that the Governmental Unit(s) shall not be billed for the pre-issuance review. The pre-issuance review shall be performed prior to the completed audit being submitted to LGC Staff. The pre-issuance review report shall accompany the audit report upon submission to LGC Staff.

14. The Auditor shall submit the report of audit in PDF format to LGC Staff. For audits of units other than hospitals, the audit report should be submitted when (or prior to) submitting the final invoice for services rendered. The report of audit, as filed with the Secretary of the LGC, becomes a matter of public record for inspection, review and copy in the offices of the LGC by any interested parties. Any subsequent revisions to these reports shall be sent to the Secretary of the LGC. These audited financial statements, excluding the Auditors' opinion, may be used in the preparation of official statements for debt offerings by municipal bond rating services to fulfill secondary market disclosure requirements of the Securities and Exchange Commission and for other lawful purposes of the Governmental Unit(s) without requiring consent of the Auditor. If the LGC Staff determines that corrections need to be made to the Governmental Unit's (Units') financial statements and/or the compliance section, those corrections shall be provided within three business days of notification unless another deadline is agreed to by LGC Staff.

15. Should circumstances disclosed by the audit call for a more detailed investigation by the Auditor than necessary under ordinary circumstances, the Auditor shall inform the Governing Board in writing of the need for such additional investigation and the additional compensation required therefore. Upon approval by the Secretary of the LGC, this contract may be modified or amended to include the increased time, compensation, or both as may be agreed upon by the Governing Board and the Auditor.

16. If an approved contract needs to be modified or amended for any reason, the change shall be made in writing and pre-audited if the change includes a change in audit fee (pre-audit requirement does not apply to hospitals). This amended contract shall be completed in full, including a written explanation of the change, signed and dated by all original parties to the contract. It shall then be submitted to the Secretary of the LGC for approval. No change to the audit contract shall be effective unless approved by the Secretary of the LGC.

17. A copy of the engagement letter, issued by the Auditor and signed by both the Auditor and the Governmental Unit(s), shall be attached to this contract, and except for fees, work, and terms not related to audit services, shall be incorporated by reference as if fully set forth herein as part of this contract. In case of conflict between the terms of the engagement letter and the terms of this contract, the terms of this contract shall take precedence. Engagement letter terms that conflict with the contract are deemed to be void unless the conflicting terms of this contract are specifically deleted in Item 30 of this contract. Engagement letters containing indemnification clauses shall not be accepted by LGC Staff.

18. Special provisions should be limited. Please list any special provisions in an attachment.

19. A separate contract should not be made for each division to be audited or report to be submitted. If a DPCU is subject to the audit requirements detailed in the Local Government Budget and Fiscal Control Act and a separate audit report is issued, a separate audit contract is required. If a separate report is not to be issued and the DPCU is included in the primary government audit, the DPCU shall be named along with the primary government on this audit contract. DPCU Board approval date, signatures from the DPCU Board chairman and finance officer also shall be included on this contract.

20. The contract shall be executed, pre-audited (pre-audit requirement does not apply to hospitals), and physically signed by all parties including Governmental Unit(s) and the Auditor, then submitted in PDF format to the Secretary of the LGC.

21. The contract is not valid until it is approved by the Secretary of the LGC. The staff of the LGC shall notify the Governmental Unit and Auditor of contract approval by email. The audit should not be started before the contract is approved.

22. Retention of Client Records: Auditors are subject to the NC State Board of CPA Examiners' Retention of Client Records Rule 21 NCAC 08N .0305 as it relates to the provision of audit and other attest services, as well as non-attest services. Clients and former clients should be familiar with the requirements of this rule prior to requesting the return of records.

23. This contract may be terminated at any time by mutual consent and agreement of the Governmental Unit(s) and the Auditor, provided that (a) the consent to terminate is in writing and signed by both parties, (b) the parties have agreed on the fee amount which shall be paid to the Auditor (if applicable), and (c) no termination shall be effective until approved in writing by the Secretary of the LGC.

24. The Governmental Unit's (Units') failure or forbearance to enforce, or waiver of, any right or an event of breach or default on one occasion or instance shall not constitute the waiver of such right, breach or default on any subsequent occasion or instance.

25. There are no other agreements between the parties hereto and no other agreements relative hereto that shall be enforceable unless entered into in accordance with the procedure set out herein and approved by the Secretary of the LGC.

26. E-Verify. Auditor shall comply with the requirements of NCGS Chapter 64 Article 2. Further, if Auditor utilizes any subcontractor(s), Auditor shall require such subcontractor(s) to comply with the requirements of NCGS Chapter 64, Article 2.

27. **Applicable to audits with fiscal year ends of June 30, 2020 and later.** For all non-attest services, the Auditor shall adhere to the independence rules of the AICPA Professional Code of Conduct and *Government Auditing Standards, 2018 Revision* (as applicable). Preparing financial statements in their entirety shall be deemed a "significant threat" requiring the Auditor to apply safeguards sufficient to reduce the threat to an acceptable level. If the Auditor cannot reduce the threats to an acceptable level, the Auditor cannot complete the audit. If the Auditor is able to reduce the threats to an acceptable level, the documentation of this determination, including the safeguards applied, must be included in the audit workpapers.

All non-attest service(s) being performed by the Auditor that are necessary to perform the audit must be identified and included in this contract. The Governmental Unit shall designate an individual with the suitable skills, knowledge, and/or experience (SKE) necessary to oversee the services and accept responsibility for the results of the services performed. If the Auditor is able to identify an individual with the appropriate SKE, s/he must document and include in the audit workpapers how he/she reached that conclusion. If the Auditor determines that an individual with the appropriate SKE cannot be identified, the Auditor cannot perform both the non-attest service(s) and the audit. See "Fees for Audit Services" page of this contract to disclose the person identified as having the appropriate SKE for the Governmental Unit.

28. **Applicable to audits with fiscal year ends of June 30, 2021 and later.** The auditor shall present the audited financial statements including any compliance reports to the government unit's governing body or audit committee in an official meeting in open session as soon as the audited financial statements are available but not later than 45 days after the submission of the audit report to the Secretary. The auditor's presentation to the government unit's governing body or audit committee shall include:

- a) the description of each finding, including all material weaknesses and significant deficiencies, as found by the auditor, and any other issues related to the internal controls or fiscal health of the government unit as disclosed in the management letter, the Single Audit or Yellow Book reports, or any other communications from the auditor regarding internal controls as required by current auditing standards set by the Accounting Standards Board or its successor;
- b) the status of the prior year audit findings;
- c) the values of Financial Performance Indicators based on information presented in the audited financial statements; and
- d) notification to the governing body that the governing body shall develop a "Response to the Auditor's Findings, Recommendations, and Fiscal Matters," if required under 20 NCAC 03 .0508.

29. Information based on the audited financial statements shall be submitted to the Secretary for the purpose of identifying Financial Performance Indicators and Financial Performance Indicators of Concern. See 20 NCAC 03 .0502(c)(6).

30. All of the above paragraphs are understood and shall apply to this contract, except the following numbered paragraphs shall be deleted (See Item 17 for clarification).

31. The process for submitting contracts, audit reports and invoices is subject to change. Auditors and units should use the submission process and instructions in effect at the time of submission. Refer to the N.C. Department of State Treasurer website at <https://www.nctreasurer.com/state-and-local-government-finance-division/local-government-commission/submitting-your-audit>

32. All communications regarding audit contract requests for modification or official approvals will be sent to the email addresses provided on the signature pages that follow.

33. Modifications to the language and terms contained in this contract form (LGC-205) are not allowed.

- Expressing an opinion on the financial statements
- Issuing a report on your internal control over financial reporting and compliance and other matters based on the audit of your financial statements in accordance with Government Auditing Standards
- Expressing an opinion on your compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect to each of your major federal award programs in accordance with the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance) and the State Single Audit Implementation Act
- Issuing a report on your internal control over compliance in accordance with the Uniform Guidance
- Issuing a report on your schedule of expenditures of federal awards

We will also express an opinion on whether the individual fund budgetary schedules and the schedule of expenditures of federal and state awards (“supplementary information”) is fairly stated, in all material respects, in relation to the financial statements as a whole.

We will also provide you with the following nonattest services:

- Completing the auditee portion of the Form SF-SAC (Data Collection Form) through the Federal Audit Clearinghouse. We will not make the submission on your behalf. Entity Name

Party Name

Board of Education of Franklin County Schools

Board of Education

You are responsible to distribute our reports to other officials who have legal oversight authority or those responsible for acting on audit findings and recommendations, and to others authorized to receive such reports.

The following apply for the audit services described above:

Our Responsibilities

We will conduct our audit in accordance with auditing standards generally accepted in the United States of America (GAAS), the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States and the Uniform Guidance. Those standards require that we plan and perform:

- The audit of the financial statements to obtain reasonable rather than absolute assurance about whether the financial statements are free of material misstatement, whether caused by fraud or error
- The audit of compliance to obtain reasonable rather than absolute assurance about whether the entity complied with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on a major federal award program

We will exercise professional judgment and maintain professional skepticism throughout the audit.

We will identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion.

We will obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances.

We will evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We will also conclude, based on audit evidence obtained, whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the entity's ability to continue as a going concern for a reasonable period of time.

We will identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the entity's compliance with compliance requirements subject to audit and performing such other procedures as the auditor considers necessary in the circumstances

We will obtain an understanding of the entity's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control over compliance. Accordingly, no such opinion is expressed.

Limitations & Fraud

We are required to communicate with those charged with governance, regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that the auditor identified during the audit.

Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit that is planned and conducted in accordance with GAAS will always detect a material misstatement when it exists or material noncompliance with federal award programs when it exists. Misstatements, including omissions, can arise from fraud or error and are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based the financial statements. Our responsibility as auditors is limited to the period covered by our audit and does not extend to any later periods for which we are not engaged as auditors.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Noncompliance with compliance requirements is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the entity's compliance with the requirements of the federal programs as a whole.

Our understanding of internal control is not for the purpose of expressing an opinion on the effectiveness of your internal control. However, we will communicate to you in writing any significant deficiencies or material weaknesses in internal control relevant to the audit of the financial statements that we identify during the audit.

We are available to perform additional procedures with regard to fraud detection and prevention at your request, subject to completion of our normal engagement acceptance procedures. The actual terms and fees of such an engagement would be documented in a separate contract to be signed by you and Forvis Mazars.

Opinion

Circumstances may arise in which our report may differ from its expected form and content based on the results of our audit. Depending on the nature of these circumstances, it may be necessary for us to modify our opinion, add an emphasis-of-matter paragraph or other-matter paragraph(s) to our auditor's report, or if necessary, decline to express an opinion or withdraw from the engagement.

If we discover conditions that may prohibit us from issuing a standard report, we will notify you. In such circumstances, further arrangements may be necessary to continue our engagement.

Management and, if applicable, those charged with governance acknowledge and understand their responsibility for the accuracy and completeness of all

Management is responsible for obtaining audits, examinations, agreed-upon procedures, or other engagements that satisfy relevant legal, regulatory, or contractual requirements or fully meet other reasonable user needs.

**Required
Supplementary
Information**

Accounting principles generally accepted in the United States of America provide for certain required supplementary information ("RSI") to accompany the basic financial statements. We understand the following RSI will accompany the basic financial statements:

1. Management's Discussion and Analysis ("MD&A")
2. Budgetary comparison
3. Pension and Other Postemployment Benefit information

Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context.

Management is responsible for the fair presentation of the RSI. As part of our engagement, we will apply certain limited procedures to the RSI in GAAS. These limited procedures will consist of inquiries of management regarding the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements.

We will not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance

**Supplementary

With regard to any supplementary information that we are engaged to report on:

- Management is responsible for its preparation in accordance with applicable criteria
- Management will provide certain written representations regarding the supplementary information at the conclusion of our engagement
- Management will include our report on this supplementary information in any document that contains this supplementary information and indicates we have reported on the supplementary information
- Management will make the supplementary information readily available to intended users if it is not presented with the audited financial statements

Such information is:

- Presented for the purpose of additional analysis of the financial statements
- Not a required part of the financial statements
- The responsibility of management
- Subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS

**Written Confirmations
Required**

As part of our audit process, we will request from management, and if applicable, those charged with governance written confirmation acknowledging certain responsibilities outlined in this contract and confirming:

- The availability of this information
- Certain representations made during the audit for all periods presented
- The effects of any uncorrected misstatements, if any, resulting from errors or fraud aggregated by us during the current engagement and pertaining to the latest period presented are immaterial, both individually and in the aggregate, to the financial statements taken as a whole

Peer Review Report

Government Auditing Standards require that we provide you with a copy of our most recent external peer review report and any letter of comment, and any subsequent peer review reports and letters of comment received during the period of the contract, upon request. Our peer review report accompanies this letter.

GENERAL

1. **Overview.** This addendum describes **Forvis Mazars, LLP's** standard terms and conditions ("Terms and Conditions") applicable to Our provision of services to the Client ("You"). The Terms and Conditions are a part of the contract between You and Forvis Mazars, LLP. For the purposes of the Terms and Conditions, any reference to "Firm," "We," "Us," or "Our" is a reference to Forvis Mazars, LLP ("Forvis Mazars"), and any reference to "You" or "Your" is a reference to the party or parties that have engaged Us to provide services and the party or parties ultimately responsible for payment of Our fees and costs.

BILLING, PAYMENT, & TERMINATION

2. **Billing and Payment Terms.** We will bill You for Our professional fees and costs as outlined in Our contract. Unless otherwise provided in Our contract, payment is due upon receipt of Our billing statement. Interest will be charged on any unpaid balance after 30 days at the rate of 10 percent per annum, or as allowed by law at the earliest date thereafter, and highest applicable rate if less than 10 percent. All fees, charges and other amounts payable to Forvis Mazars hereunder do not include any sales, use, excise, value added or other applicable taxes, tariffs or duties, payment of which shall be Your sole responsibility, and do not include any applicable taxes based on Forvis Mazars' net income or taxes arising from the employment or independent contractor relationship between Forvis Mazars and Forvis Mazars' personnel.

We reserve the right to suspend or terminate Our work for this engagement or any other engagement for nonpayment of fees. If Our work is suspended or terminated, You agree that We will not be responsible for Your failure to meet governmental and other deadlines, for any penalties or interest that may be assessed against You resulting from Your failure to meet such deadlines, and for any other damages (including but not limited to consequential, indirect, lost profits, or punitive damages) incurred as a result of the suspension or termination of Our services.

Our fees may increase if Our duties or responsibilities are increased by rulemaking of any regulatory body or any additional new accounting or auditing standards. Our engagement fees do not include any time for post-engagement consultation with Your personnel or third parties, consent letters and related procedures for the use of Our reports in offering documents, inquiries from regulators, or testimony or deposition regarding any subpoena. Charges for such services will be billed separately.

3. **Billing Records.** If these services are determined to be within the scope and authority of Section 1861(v)(1)(I) of the Social Security Act, We agree to make available to the Secretary of Health and Human Services, or to the U.S. Comptroller General, or any of their duly authorized representatives, such of Our books, documents, and records that are necessary to certify the nature and extent of Our services, until the expiration of four (4) years after the furnishing of these services. This contract allows access to contracts of a similar nature between subcontractors and related organizations of the subcontractor, and to their books,

documents, and records.

4. **Termination.** Either party may terminate these services in good faith at any time for any reason, including Your failure to comply with the terms of Our contract or as We determine professional standards require. Both parties must agree, in writing, to any future modifications or extensions. If services are terminated, You agree to pay Forvis Mazars for time expended to date. In addition, You will be billed costs and fees for services from other professionals, if any, as well as an administrative fee of five (5) percent to cover certain technology and administrative costs associated with our services. Unless terminated sooner in accordance with its terms, this engagement shall terminate upon the completion of Forvis Mazars' services hereunder.

DISPUTES & DISCLAIMERS

5. **Mediation.** Any dispute arising out of or related to this engagement will, prior to resorting to litigation, be submitted for nonbinding mediation upon written request by either party. Both parties agree to try in good faith to settle the dispute in mediation. The mediator will be selected by agreement of the parties. The mediation proceeding shall be confidential. Each party will bear its own costs in the mediation, but the fees and expenses of the mediator will be shared equally.
6. **Indemnification.** Unless disallowed by law or applicable professional standards, You agree to hold Forvis Mazars harmless from any and all claims which arise from knowing misrepresentations to Forvis Mazars, or the intentional withholding or concealment of information from Forvis Mazars by Your management or any partner, principal, shareholder, officer, director, member, employee, agent, or assign of Yours. You also agree to indemnify Forvis Mazars for any claims made against Forvis Mazars by third parties, which arise from any wrongful actions of Your management or any partner, principal, shareholder, officer, director, member, employee, agent, or assign of Yours. The provisions of this paragraph shall apply regardless of the nature of the claim.
7. **Statute of Limitations.** You agree that any claim or legal action arising out of or related to this contract and the services provided hereunder shall be commenced no more than one (1) year from the date of delivery of the work product to You or the termination of the services described herein (whichever is earlier), regardless of any statute of limitations prescribing a longer period of time for commencing such a claim under law. This time limitation shall apply regardless of whether Forvis Mazars performs other or subsequent services for You. A claim is understood to be a demand for money or services, demand for mediation, or the service of suit based on a breach of this contract or the acts or omissions of Forvis Mazars in performing the services provided herein. This provision shall not apply if enforcement is disallowed by applicable law or professional standards.
8. **Limitation of Liability.** You agree that Forvis Mazars' liability, if any, arising out of or related to this contract and the services provided hereunder, shall be limited to the amount of the fees paid by You for services rendered under this contract. This limitation shall not apply to the extent it is finally, judicially determined that the liability resulted from the intentional or willful misconduct of Forvis Mazars or if

enforcement of this provision is disallowed by applicable law or professional standards.

9. **Waiver of Certain Damages.** In no event shall Forvis Mazars be liable to You or a third party for any indirect, special, consequential, punitive, or exemplary damages, including but not limited to lost profits, loss of revenue, interruption, loss of use, damage to goodwill or reputation, regardless of whether You were advised of the possibility of such damages, regardless of whether such damages were reasonably foreseeable, and regardless of whether such damages arise under a theory of contract, tort, strict liability, or otherwise.
10. **Choice of Law.** You acknowledge and agree that any dispute arising out of or related to this contract shall be governed by the laws of the State of Texas, without regard to its conflict-of-laws principles.
11. **WAIVER OF JURY TRIAL. THE PARTIES HEREBY AGREE NOT TO ELECT A TRIAL BY JURY OF ANY ISSUE TRIABLE OF RIGHT BY JURY, AND WAIVE ANY RIGHT TO TRIAL BY JURY FULLY TO THE EXTENT THAT ANY SUCH RIGHT SHALL NOW OR HEREAFTER EXIST WITH REGARD TO THIS AGREEMENT, OR ANY CLAIM, COUNTERCLAIM OR OTHER ACTION ARISING IN CONNECTION THEREWITH. THIS WAIVER OF RIGHT TO TRIAL BY JURY IS GIVEN KNOWINGLY AND VOLUNTARILY BY THE PARTIES, AND IS INTENDED TO ENCOMPASS INDIVIDUALLY EACH INSTANCE AND EACH ISSUE AS TO WHICH THE RIGHT TO A TRIAL BY JURY WOULD OTHERWISE ACCRUE.**
12. **Severability.** In the event that any term or provision of this agreement shall be held to be invalid, void or unenforceable, then the remainder of this agreement shall not be affected, and each such term and provision of this agreement shall be valid and enforceable to the fullest extent permitted by law.
13. **Assignment.** You acknowledge and agree that the terms and conditions of this contract shall be binding upon and inure to the parties' successors and assigns, subject to applicable laws and regulations.
14. **Disclaimer of Legal or Investment Advice.** Our services do not constitute legal or investment advice. You should seek the advice of legal counsel in such matters.
