2022-2023 Ongoing Priorities

- Program improvement to align with NCDPI equipment expectations and industry standards
- Continue to increase involvement of business partners
- Increase student participation in Career and Technical Student Organizations (CTSO)
- Increase work based learning opportunities--field trips, internships, pre-apprenticeships, etc.
- Continue to offer professional development that will provide instructional support to help close learning gaps due to learning loss related to COVID-19

Seeking Board Approval

Career and Technical Education is seeking approval from the FCS Board of Education and Dr. Schuhler for the Local Application for the 2022-2023 school year.

Once the Application is **Approved**, to view the application online, visit ccip.schools.nc.gov.

Click Search. Click Organizations. Key Franklin County as the Organization Name. Click Search. Select Franklin County Schools. Click Funding. Select Funding Applications. Use the drop menu to select year 2022. Choose CTE Local Application.

*The 2022 application is currently available for public view but the 2023 application will only be visible after it has been approved.

Thank You!
