# Seeking BOE Approval:

## Masking

Recommendation for BOE Consideration:

Maintain a “masks optional” environment for all Franklin County Schools.

# Looking Ahead

- Shifting away from Operational Update since primarily focused on COVID-19 response.
- We will incorporate the mask vote into consent agenda, with a default to “masks optional” each month unless health guidance changes and the BOE needs to reconsider.
- I will provide a written monthly “Superintendent’s Report” document. This report will include updates on COVID-19 response and current metrics as long as is needed.
