

CAREER ACCELERATOR AND ANATOMAGE TABLE

DR. DANYELLE PARKER

MARCH 14, 2022

CAREER ACCELERATOR SUMMER PROGRAM

I am seeking board approval to contract with the company District C to provide our Career Accelerator Summer Program.

- + The ESSER II Summer Programs grant application for PRC 177 has been approved.
- + The total cost of the District C program is \$108,480.
- + The program will be available to a maximum of 96 FCS high school students including Early College.
- + District C will plan and administer an intensive Teamship program that offers 30 internship hours to students.
- + Students will solve real world problems for real businesses with coaching from the District C-certified coaches.
- + We hope that this will be a fun and rewarding experience for our high school students.
- + The dates and times are: July 11 – 14, 9 am – 5 pm each day. The location is TBD.

ANATOMAGE TABLE

I am seeking board approval to purchase an anatomage table for Louisburg High School.

- + The table supports the essential standards in the Health Science/Nursing Fundamentals program and the Emergency Medical Technology Program.
- + Students will be able complete virtual dissection, explore real life cadavers, respond to questions using the built in question bank, explore all parts of the human body systems, etc.
- + This table can be used to project to students and it can be used directly by students.
- + This table will help support the STEM magnet program at Louisburg High School.
- + The total cost of this life sized table is \$105,040.
- + ABC Transfer funds have allowed us the opportunity to make this purchase.

SEEKING BOARD APPROVAL:

Recommendation for BOE Consideration:

Contract with the company District C to provide our Career Accelerator Summer Program for our high school students for the cost of \$108,480.

Purchase an anatomage table for Louisburg High School using ABC transfer CTE funds at the cost of \$105,040.

THANK YOU.

Any questions?
